

TECHNICIAN TRAINING AND DEVELOPMENT PROGRAM

Mercedes-Benz
DRIVE
#MBDRIVE

Mercedes-Benz DRIVE

Advanced 16-week Mercedes-Benz Technician training program combining extensive Mercedes-Benz technical knowledge, customer service best practices and career preparation so you'll have what it takes to be successful on Day 1.

MB DRIVE's blended learning approach which consists of 90% workshop instruction and 10% traditional classroom lecture ensures that you'll gain hands on experience with Mercedes-Benz equipment and vehicles.

Upon Successful completion of the program and after just six short months of dealership experience, you will be a System Technician - a title that can take years to earn outside of MB DRIVE.

Our Veterans
